Copies will be sent out to the community. The report preparation was covered by an Awards for All grant and the printing has been paid for through a CREFL grant.

## **9. Community Council Elections**

The elections were held prior to this meeting, positions being filled as detailed above.

## **10. Resilience Group Report**

TM is waiting for Steve Wiley to agree to a new date for a meeting

## **11. Planning Applications (all wind farm related)**

- CCC will object to the high volume of large trucks going through the village in relation to the proposed Windy Rig windfarm and associated works
- Kyle Windfarm (Vattenfall) – initially refused, now resubmitted as S. Kyle and is half the original size. E. Ayrshire Council has objected so it is going to enquiry in December. Carsphairn Community Council did not put in objections to the consents unit within the permitted time.
- The cumulative effect of wind farms in planning is potentially now severe. CCC aim to respond, by either supporting, commenting or objecting, as applications are submitted, though this is an onerous task. DGC designated two areas for windfarms in this area (up the Lorg road and around Windy Standard) so any lying outwith these areas may have less chance of succeeding. Eg. Benbrack, lying in the scenic area and visually intrusive (it is going to public enquiry as E. Ayrshire objected)
- Shepherds Rig and Stroanshalloch are on hold

- Enoch Hill (EON) Closes for responses on 11<sup>th</sup> November.
- Lorg Wind farm (EON) – Community Liaison Group meeting 29<sup>th</sup> October at Lagwyne Hall.

**Action: LH/SH to draft letter objecting to the Enoch Hill Windfarm to be sent to the consents unit by 11<sup>th</sup> November.**

**Action: WF to prepare windfarm table for SS to fill in for ‘quick glance’ summary of windfarms proposed in the area.**

**Action: ACK to send letter about the concern over quarrying traffic with regards to Windy Rig.**

## 8. Correspondence

This has been emailed out by ACK.

## 9. AORB

- AC, as Deputy Lord Lieutenant for Kirkcudbrightshire, has been contacted about whether the community wish to hold a community event on 12<sup>th</sup> June 2016 to celebrate the Queen’s 90<sup>th</sup> birthday. The majority at the meeting were in favour of a community event so it will be discussed further at the November meeting.
- Minutes secretary replacement required: This is a paid position, anyone interested should contact ACK. ([carsphairncc@gmail.com](mailto:carsphairncc@gmail.com))

**Action: ACK to distribute an advert initially by email and on the community notice boards.**

- MH informed the meeting that construction was now under way for Windy Standard II and he has become aware that there are issues developing over long standing access to the area for locals, including moving of stock.

**Action: MH will draft a letter to contractors Morrisons in the hope of working with them to resolve local issues and advised anyone else in this situation now or in the future to do likewise.**

- Votes of thanks were given to AM as outgoing Chair and WF as outgoing Minutes Secretary.

The meeting was closed at 8.45pm

**Date of next meeting:** November 30<sup>th</sup> 2015 at 7.00pm
