2. Project Overview

Brief Description of Your Project:
[What was the project? What did you aim to achieve?] e.g. “We set out to run a six-week creative arts workshop for young people in Carsphairn, providing free access to materials and a local artist mentor.”

3. What Did the Project Achieve?

Please tell us:
How the funding was used e.g. “The CREFL grant was used to purchase tools and materials for our community garden, and to hire a facilitator for weekly planting workshops.” **What activities or events took place** e.g. “We ran six Saturday morning sessions for families and volunteers to design, plant and maintain raised beds for vegetables and flowers.” **Who benefitted from the project** e.g. “The project engaged over 30 local residents, including 10 young people from the youth club and two local primary classes.” **Any lasting or ongoing impact** e.g. “The garden is now maintained by a small group of residents and is used weekly by the school for outdoor learning.”

4. What Difference Did It Make?

We'd love to hear about the positive effects your project has had on individuals, the local community, or the wider area.

Examples might include:

- **Improved wellbeing**
  "Several participants said they felt more connected to others and enjoyed being outdoors. One attendee shared that the sessions helped with their mental health."
- **Skills development**
  "Young people learned how to use carpentry tools and gained hands-on experience in planting and growing vegetables."
- **Opportunities for young people**
  "The project introduced young people to environmental careers and led to one pupil volunteering with a local conservation charity."
- **Strengthened community connections**
  "The sessions brought together residents who hadn't previously met, and a local group has since formed to continue similar activities."
- **Enhanced local facilities**
  "The upgraded hall kitchen is now used by multiple groups, including the lunch club, after-school group, and a new baking club."

5. Key Quotes or Testimonials

If you've received feedback from participants or members of the community, feel free to share a few short quotes that show how the project made a difference. These help bring the story to life.

Examples:

"It's been amazing to see the kids trying something completely new — and sticking with it."
"I now look forward to Wednesday mornings — it's the highlight of my week."
"I never thought I'd be able to fix a bike, but now I'm teaching my friends how to do it!"
