Carsphairn Renewable Energy Fund Limited

CREFL Vocational / Educational Grant Impact Report
HELP NOTES

This short report is designed to help us understand how the support from Carsphairn Renewable Energy Fund Ltd (CREFL) has made a difference to your learning or training journey.

The report is a required to meet wind farm operator reporting obligations, and CREFL require all Vocational/Further Education Grant applicants to complete this form.

1. Applicant details

Name of applicant	[Insert name]
Date of Award	[Insert date]
Amount Awarded	[Insert amount of award]

2. Course, Training, or Activity

What course, training, or opportunity did the grant support you with?
e.g. "I used the grant to complete a Level 2 Plumbing course at Dumfries & Galloway College."

3. What Difference Has It Made?

Tell us how this support has helped you personally, professionally, or academically. We're particularly interested in the real impact this funding has had on your life
You might want to include: • **What new skills have you gained?** Have you learned something that you couldn't have accessed without this funding? For example: digital skills, practical trades, business training, qualifications, or confidence in public speaking. • **How has this affected your future plans or career goals?** Did it help you change direction, gain clarity, or take a big step toward employment, college, or a new opportunity? • **Have you achieved any new qualifications, certificates, or accreditations?** Did this funding directly lead to a formal outcome, e.g. an SVQ, apprenticeship, HNC, etc e.g. "Thanks to the funding, I was able to complete my SQA Level 5 Early Learning and Childcare course, which allowed me to apply for a Modern Apprenticeship with a local nursery. I now work there full-time and am working towards my Level 6." e.g. "The further education grant from CREFL meant I could afford to travel to college and buy essential tools for my joinery course. I've now passed my first year and have started taking on private work in the community." e.g. "Before this opportunity, I didn't think I'd be able to pursue a career in engineering. The course gave me the confidence and qualifications I needed to apply for a university foundation programme."
