

Two letters had been received from the Hall Committee. One informed of new arrangements and contact details for booking the hall. The other outlined the proposed funding for the new extension to the hall. An application for funding is going to the Lottery. If no funding is forthcoming then an application will be made to CREFL next February.

Correspondence had been received from Peter Roberts who is the Development Contributions Officer for D&G Council and is responsible for looking at community benefits. It was agreed that he should be invited to our next meeting.

Date of next meeting Wednesday 15th May 2013 in Lagwyne Hall at 7.30.
