PUBLIC SCHOOL

1ST March 1909

Miss Ida Hay Macmillan was a monitor and Pupil Teacher in this School from 2nd September 1902 till June 1909.

For about half the time she assisted in the Infant department, teaching classes at all stages with excellent results.

Her ability as teacher is of a high order, maintaining discipline in a gentle and kindly manner.

I have much pleasure in recommending her to the notice of those who desire a conscientious, kind and thorough teacher.
